

Supervision and Accountability - Procedure thereof

The buildings construction works are divided into various projects which are controlled by the Executive Engineers at the divisional level, by the AEs at the Sub-divisional level at the Circle by the concerned Superintending Engineer and at the State level by the Chief Engineer and Managing Director of the Corporation. The works are initiated by the Junior Engineers as per approved outlay and drawings etc. The execution of the works and their accountability lies with the level of officers from Junior Engineers to the level of Chief Engineer.

Norms for the discharge of its functions

Before the work/project is undertaken by the Corporation as per approved outlay and drawings etc., tenders are floated by the Corporation through newspapers. Any contractor/agency who is interested in participating for an enlistment applies to the Chief Engineer. After giving due publicity to the whole process the allotment of works is made to the contractor/agency. Time for completion of works is decided on the basis of quantum of work.

Rules, Regulations, Instructions, Manuals, Records etc.

To discharge the functions of this Corporation, the actions are being taken by the employees of the Corporation in accordance with the “Byelaws of the HPHC” which are placed on the web site of HPHC www.hphc.org.in. In addition to this rules, regulations and instructions issued by the Haryana Government from time to time, are being followed meticulously by the Corporation.
